AFTER
Repeated Trials we have at last found the article we wanted. It came by the Albert and is now offered for sale to the public of Hawaii at the same prices as sold in the United States. Come and see for yourself and be convinced that the above statement is true in every respect.

Housekeepers will appreciate our effort after they have seen and tried our new
Scotch Granite Ware
and found it will not chip and then rust through, after it has been in use a few days. These goods when they once get into your house are there to stay.

Aluminum Ware
Is something that has been sold in Honolulu some time but the prices we are offering these goods at is a new departure altogether.

Another thing we have pleasure in bringing before the public, especially those who have youngsters in the family, and have more or less washing to have done at home, is a Wash Tub with an attachment on the side, for fastening a wringing machine to, thereby obviating the necessity of screwing your wrists all out of kilter, by wringing out clothes by hand power. These wringers we have in three sizes.

THE LIVES OF THE OWNERS

"All Kinds of People to Make Up a World."—Characteristics and Careers Outlined.

Edith Parker: You are inclined to be indolent, and your tastes are material. You are fun-loving and of an affectionate nature. Self-willed but amenable to reason. Your life will be satisfactory to yourself, according to your ideas. You have capacity for intense attachment, but are inclined to be fickle. Married twice. You are not sturdy though your health will not occasion you much uneasiness.

S. A. E.: The lines in your palm are contradictory. You will have a long life but will not attain any great age; will probably live as much in five years as most men would live in ten. You will be married three times in three different cities. You have unlimited powers of loving, but your third wife will be made Mrs. S. A. E. for other motives than that of love. You will travel and you will act bravely when you meet with accidents which are inevitable in your life. You have high ideas of right and wrong though you may not live up to them.

Florence Nightingale: Dainty tastes, somewhat nervous, not partial to work. You will travel considerably in your later life, which will be well regulated and evenly balanced. A sympathetic manner and an interest, more or less sincere, in your friends will win for you considerable appreciation among them. You are inclined to be just in criticism. Although you have no unusual talent you have an intuitive and keen perception which makes your judgment superior. You have gentle, womanly proclivities and will be admired by men with some stamina rather than the usual run of "the boys."

Concord: Strong domestic tastes, affectionate, clinging nature. Quiet, refined, somewhat superstitious. Fond of men, but with too much heart to be a successful flirt. Special talents; would be a success in music. Sympathy, feeling and discrimination combine to make you artistic. One marriage is indicated; two voyages. Also active disturbance in the neighborhood of thirty shown in the line of fate. Probably a period of mental agitation.

Kangaroo: This is the hand of a person with considerable literary ability; should be engaged in literary work, but have capabilities in other directions also. No shirker, absolutely reliable. Religiously inclined, but no believer in forms. High ideas on propriety, but no stickler for etiquette. Warm human sensibilities. You are daring and fun loving. Will be married once and will be a happy wife. Will live into old age.

The Holy Terror: Your palm betrays the name attached to it. You have not the "original sin" that is necessary in the make-up of a terror. You could never be one of the Heavenly Twins, for instance. You are progressive; would be an inventor if you were a man. Capable, but not likely to find out your possibilities until later in life. Strong likes and dislikes, and inclined to have prejudices. You will travel considerably.

Orang Outang: You are romantic, dreamy, dignified, reserved. A nature of ups and downs. Subject to fits of depression. A capable hand; could make your living. Affectionate and by nature dependent rather than a leader. Strong love of family evident. Married twice, but never altogether happy because of a tendency to "mood."

Bumpsky: Versatile and agreeable. Good natured, but spirited. You are civil and have consideration for others. Your temperament is sanguine and you are in demand for social gatherings. Will be threatened with an illness connected with the nerves in middle life. Will be in some railroad accident, but will not be injured. In matrimony you will find both happiness and luck.

The New Cafe.

The Home Bakery Cafe, Fort street, is serving the best dinner to be found in the city. They are also making a specialty of banquets and guarantee to set up the finest feast to be held. That the Home Bakery Cafe is thoroughly appreciated by the general public is evidenced by the immense amount of patronage, which they have worked up in a few weeks. All the delicacies of the season can be found there.

The new Government rock-crusher will be used for the first time today at the sea wall on River street. The new grader will begin operations soon.

There will be no base ball nor cricket today, both being postponed in honor of the memory of Kaiulani.

The higher courts will remain adjourned throughout today out of respect to the late Princess.

The dredger is still idle, but will resume operations next week.
